PRESIDENT CYRIL RAMAPHOSA CALLS FOR NATIONAL DAY OF PRAYER ON THE EVE OF NATIONAL LOCKDOWN

Dear Sir / Madam

With just hours to go before the nation goes on lockdown the State President, Mr Cyril Ramaphosa has called for a national day of prayer on the eve of the 21 day national lockdown.

The president has invited South Africans to observe two minutes of prayer, reflection or silent meditation on Thursday between 18:00 and 18:30.

Midlands Hindu Society (MHS) is of the view that the lockdown must be implemented to the best of our ability so that we ensure that we minimize any contact with people unless it is essential. We must all pray on our own, in our homes, to increase the positive vibrations in the atmosphere so that we strengthen ourselves, our families, our neighbourhoods, our city, our nation and our world. This virus has reminded us that we are indeed a global village and we all have a vital role to play in our own little way to make it a better place for all.

We have asked all our affiliates and members to abide by the lockdown regulations but assist the aged and vulnerable in their neighbourhoods with food and sanitary products.

We kindly ask you to keep yourself well informed and safe and pray for a speedy end to the Coronavirus pandemic.

Yours in Service

Adv. Ranjiv Nirghin

President
